

Your Invitation to the New Adaptive Leadership Community of Practice

Dear Change Leader Colleague,

There is no easy way to resist joining tCL's newly-established **Adaptive Leadership Community of Practice (AL CoP)**. We'll be gathering to share mindsets, methods and tools about AL that enable and help us create more positive impact in an increasing complex, accelerated world.

In Paris, we kicked off the AL CoP with great interest expressed by participants to start our journey together. Have a look at survey results harvested prior to the conference here: https://drive.google.com/file/d/1e9w-yj16FOsTnDHUI5MDFI9m8bBOqW5o/view?usp=drive_link.

We are excited to launch the first online sessions this summer! We will be hosting sessions in July and August prior to our meeting at the **tCL Oxford September Egrove Park Celebratory Conference** where we will be hosting a session during the conference. After Oxford 2024, online sessions before will build to the **Adaptive Leadership themed tCL Paris 2025 conference**. For now, your warm invitations:

We hope this is an appealing invitation and would love for you to participate, design, learn, and facilitate with us!

Warmest regards and see you online soon,

Thea, Judith, Josette, Annick, Roberto, Mike, Rick and Lars ☺
